

## 2011 Stallholder Information

Planning has commenced for the 2011 Hokonui Moonshiner's Festival. Those patrons who were fortunate to have attended this year's festival were not disappointed, there was a smorgasbord of exquisite food on offer and once again the food stall holders did an outstanding job bringing together an array of food to complement the theme - we congratulate you on embracing the theme and producing such high quality dishes!

The 2011 Hokonui Moonshiner's Festival will be held on Saturday 26<sup>th</sup> February from 12 noon – 7pm in the Arts and Heritage Precinct.

In the first instance we request confirmation from you of your intention to participate in the 2011 festival. There are 15 sites available so we have limited spaces, if you wish to participate please send your registration form and site fee back to us as soon as possible.

If you are wishing to participate you do need to ensure that;

- a) You have your site manned and food available for the entire festival from 12.00pm – 7.00pm on the festival day.
- b) You will embrace the very specific heritage themed menu that we pride ourselves on and that is at the forefront of the festival.
- c) That you have sufficient portions to carry you through till the end of the day – (estimated 500 portions).

We do give priority to those who can commit to these requirements, so we can ensure that we support our promise to patrons, by offering them *"themed gastronomic delights created by the South's very best chefs"*.

We also must ensure that there is not too much repetition, for instance there will only be one pie outlet, one coffee stall, and we will limit the number of stall holders working with certain produce. When we call for menu submissions, priority will be given to those who submit their menu's first.

Should you need any assistance with menu idea's and information on the themed food options please do not hesitate to contact me?

Thank you for your attention to this information and we look forward to your response in due course. If you wish to discuss any aspect of this further please do not hesitate to contact me on 0278612662.
